

# Vuur & Vlam

(Fire & Flame)

India Pale Ale

Alc. 6.2% vol. / drink at 4-6°C / 330ml

With a blow of Cascade,  
Columbus, Citra, Chinook

## Mindblowing Craft beer

"You experiment, give it a taste and then do it all again. You fall flat on your face and pick yourself back up. Until finally, you experience that sip, that tingling sensation that opens up new worlds. It's an extraordinary feeling. Beer is craftsmanship, it is our passion. It is simply who we are. That is exactly what raises beer to an art form." - **Menno Olivier**
