A blend of golden sour ales aged on red wine barrels with wild yeasts and bacteria, after blending aged further on a ton sour-cherries. Fruity, funky, sour this is our take on a classic Belgian beer style.

RUIG is the bottled barrel-aged beer range by Oproer: the quirky little sibling that definitely deserves a stage of its own.

RUIG means mixed fermentation beer, fermented and/or aged in barrels. Sometimes a blend, sometimes fruited, always outspoken.

Common denominator is time: Oproers' RUIG beer has had lots of it. Therefore the taste is at its maximum. If stored correctly it is a beer for the ages.
