# DINKY CITRA

## DINKY CITRA

A Dinky is not only a nickname given to small locomotives, it's also our line of "session" brews.

A session brew is low in alcohol but full in taste. This makes sessions ideal as thirst quencher, but be careful it's easy to drink too many of these little buddies.

Meet Dinky Citra a session IPA loaded with Citra hops which gives a perfect Spring/Summer vibe with it's floral citrus aroma and flavor.

This little citrus, peach and lychee fruit bomb is best enjoyed in direct sunshine.
