

DRINK WITH MATES!

LORD NELSON

LOC BREWERY

LORD NELSON

Lord Nelson is not only a type of 4 cylinder 4-6-0 steam locomotive built in 1926.

It's also our homage to a Mediterranean white wine, we figured if a hop is bred to mimic the fruitiness of Sauvignon Blanc grapes we will craft an IPA which mimics a fruity white wine, a white wine with a punch that is.

This is not your ordinary IPA, this is our IPA with a twist.

INGREDIENTS

Water
Malted Barley
Oat
Wheat
Hops
(Nelson Sauvin,
Columbus &
Citra)
Yeast
and Love

SPECS

6.2%
India Pale Ale
